

# Leaves Clog Drains

To lessen the chances of a flood in your suite, please inspect your drain on a regular basis.

**If you live on the ground floor there will be a drain similar to this picture, please keep this drain free of all leaves and debris.**

**Please bag up the leaves on your patio or balcony and dispose of them in the compost or food waste bins.**

**If you live above the ground floor there will be a drain on your balcony similar to this picture, please keep this drain free of all leaves and debris.**
